MEMORANDUM FOR: [REDACTED] Office of Legislative Liaison 25X1  
FROM: [REDACTED] OEA/CH/DEV 25X1  
SUBJECT: Briefing for House of Representatives, Committee  
on Energy and Commerce, Staff Members

On January 23, at the request of OLL, I briefed three staff members--Gregory J. Monks, John Lyons and Don Boscow--of the House Committee on Energy and Commerce--on China's petroleum situation. The committee has set up a special subcommittee to deal with US-China commercial issues and takes a strong interest in China's offshore oil program. I gave them our unclassified analysis of China's oil production prospects.

The staff members expressed interest in a further briefing on nuclear power issues.
